

Halloween Speurtocht

The background is a vibrant orange-red gradient. On the left, a large, gnarled tree silhouette stands against the sky. In the center, a full moon is partially obscured by several black bat silhouettes in flight. In the foreground, the silhouettes of four children in various Halloween costumes (a devil, a witch, a girl with a crown, and a child with a basket) are walking towards the right. The overall scene is spooky and festive.
